Crocker Park got a jump on the holiday season last Saturday with its annual Holiday Tree Lighting Ceremony. The fun took place Nov. 19 from 5-7:30 p.m. and featured family-friendly entertainment, strolling characters, and community groups performing on the Main Stage, just down the street from the Circle.

Highlight was the appearance of Santa and his wife, Mrs. Claus, who made their way under a spotlight to the main stage for a count down to the tree lighting. Santa marked down the seconds until the giant Crocker Park Holiday Tree exploded in laser lights and colors that jumped to the sounds of lively music. The crowd roared when Cleveland Indians, Cavs and Ohio State Buckeye logos took turns in the lights.

It was a great year for area football teams as five Southwestern Conference schools made the OHSAA playoffs. Postseason honors are now streaming in, and kudos go to area athletes.

The Northeast Lake District announced their all district selections this past week and it was no surprise that the Westlake Demons represented well on the list. The Demons posted a great year, going 8-4, making the playoffs and re-launching this storied program. Making 1st Team All-District: Troy Bialowas-QB/Athlete, Trevor Bielozert-TE. 2nd Team All District, Connor Sterneckert-WR, Terrence Rose-WR/Athlete, Honorable Mention Arik Brizes-TE.

Avon Lake also posted a great year, getting to the Regional semifinals and pulling off the win of the year with a 27-26 decision over top-ranked and unbeaten Avon; 1st Team All-District: OB Mark Pappas, Receiver Carson Toy, and Coach of the Year Dave Dlugosz. Avon Lake also went 8-4.

For SWC champ Avon (10-0), All-districts honors went to linebacker Eric Steinmetz, lineman Sam Gerak, kicker Mitch Cooper, and running Back Mason Mclemore.

In Div. III, Bay also made the playoffs in going 7-4. All district first team honors went to linemen Maxton Edgerly, while Jimmy Hoke was named Defensive Player of the Year.

Avon’s Sam Gerak Heads to Big 10

Sam Gerak, a stalwart of the Avon High football team for four years, is moving on to play at Northwestern in a move that takes his talents to the Big 10. The 6-3 center attracted more than seven offers from big time schools and has selected Northwestern for its scholarly and athletic opportunities.

With a 4.2 GPA and 34 ACT test score, Sam plans to be a Pre-Med major - an interest that grew from an orthopedic injury that occurred his freshman season.

Sam believes his parents encouragement is an instrumental component of his success. His dad is a former NFL player who worked consistently with Sam and his mom a dedicated homemaker. Sam also thanks Coach Mike Elder for the care he brings to the Eagle program, his knowledge of the game and - most importantly - for making football fun.

Hail to the Chief

Lots of people think politics and business don’t mix, but not Mike Cooper of Cooper Disposal. Mike has been a Donald Trump supporter since the early days of the campaign. He posted Trump signs for all to see from his business location just off I-77 in Cleveland. “I couldn’t be happier that Trump is our next President of the United States,” said Mike after the election results came in and surprised the many pollsters who had Clinton as a heavy favorite. Cooper was more in touch with the majority, however, and his man now prepares to take office.

The liberal media with their polls and biased info could not fool the American People. Great Job America!” says Coop. “Drain the Swamp!”

Mike Cooper meets with President-Elect Donald Trump in the offices of Cooper Disposal. Cooper says America should not expect a cardboard president once Trump take office.

Avon’s Eric Frombach Named Ohio Athletic Director of the Year

Avon High School Athletic Director, Eric Frombach, has been named Athletic Director of the Year by the Ohio Interscholastic Athletic Administrators Association (OIAAA). “We are fortunate to have Eric on our team,” said Mike Laub, Avon Local Schools superintendent. “His focus is on the development of young people through athletics and that is why our programs are so successful. Eric has a work ethic that sets the tone for our athletes and coaches.”

Frombach is in his 11th year with the school district. Prior to coming to Avon, he was the athletic director and assistant principal at Amherst Marion L. Steele High School.

Frombach also serves on the executive boards for the Northeast Ohio Interscholastic Athletic Administrators Association (NEOIAAA) and the Ohio Interscholastic Athletic Administrators Association (OIAAA) where he is the website coordinator/chair for both. These are in addition to his regular duties at Avon, but are valuable to the professional development of athletic administrators in Northeast Ohio and around the state.

Disney star Peyton List had the crowd screaming as she was backed by a chorus of Lake Ridge Academy singers for a selection of holiday tunes.

Menchie’s Frozen Yogurt teamed up with Make-A-Wish for a special presentation for Owen, a 9-year-old boy from Olmsted Falls. In November 2015, Owen was diagnosed with Anaplastic Large Cell Lymphoma, which is a rare type of non-Hodgkin Lymphoma. Owen continues to show his mental and physical strength throughout this time and is a true inspiration. Owen’s wish to go on a Disney Cruise with his family will now be granted on Christmas Day. He is especially excited to swim and snorkel in the ocean.

Finally, guests were amazed as the show ended with over 200,000 lights choreographed to popular holiday music. It encompassed Crocker Park’s 50-foot tree along with décor all throughout the property. Light shows will continue nightly throughout the holiday season.

Train Town, the giant Snow Globe and Santa Express Train ride are all part of the Crocker Park holiday magic again this year. The Santa House is now also open for your visit with the jolly elf.

Hundreds of people braved the weather to see the spectacular celebration.

Train Town, next to Arhaus Furniture, is a must-see for the whole family and the largest handmade train display at Crocker Park to date.

Make-A-Wish recipient 9-year-old Owen and his family will enjoy a Disney Cruise this Christmas.

Representatives from Menchie’s Frozen Yogurt presented a donation to Make-A-Wish Foundation.

Disney star Peyton List entertained the crowd.

Disney characters and superheroes visited guests.

Put Thanksgiving Lessons to Work in Your Financial Plans

It’s almost Thanksgiving – a holiday centered on family, caring and sharing. You can carry these same values into your daily life – and you can certainly incorporate them into your financial strategies for taking care of your loved ones.

First of all, protect your family by maintaining adequate life and disability insurance.

Next, invest in your children. If you have young children, you may want to open a tax-advantaged college savings vehicle, such as a 529 plan. If you have adult children, you could write them each a check to help them fund their IRAs for the year.

Finally, share your estate plans with your loved ones. By informing them of your wishes now, you can avoid hurt feelings and unpleasant surprises later.

By applying the lessons of Thanksgiving to your financial plans, both you and your family will have reason to be thankful.

The Normandy Senior Living: Honoring Our Veterans

The Normandy Senior Living of Rocky River honored veterans in a very special way with Veteran’s Day Program and dinner on Fri., Nov. 11. The program featured a Veteran’s Day welcome and pinning of veterans in attendance The Normandy staff. Patriotic music was provided by Gary Ryan, and several Normandy veteran residents were invited to speak. In solemn testimony of the day, a POW-MIA table was placed in a position of honor in the dining room, symbolizing the frailty of soldiers who face their oppressors.

A highlight of the day came when resident Richard Donaldson brought to the attention of guests a feature photograph that appeared in the Plain Dealer that morning. It depicted a Korean War scene and included in the photo was Normandy resident Jack Mulach, a Marine vet who lost an arm in Korea. The testimony brought solemn significance to the program.

In conclusion, another veteran and Normandy resident, Dr. Lew, offered a stirring vocal rendition of The Battle Hymn of the Republic.
